

**Interested in learning more about the European Union's programme for research and innovation and the current green transition call* for Africa?
Looking to connect with potential partners to apply?**

JOIN OUR TRAINING AND MATCHMAKING EVENT ON THE HORIZON 2020 GREEN DEAL AFRICA CALL !

*Accelerating the green transition and energy access Partnership with Africa TOPIC ID: LC-GD-2-3-2020 - <https://bit.ly/3dVCaky>

1/12, 2/12 (1h30 on-line Webinars) at 10 am (ETC)

Why participate ?

- **Develop** practical knowledge on how to obtain information and apply to the Horizon 2020 programme and the Green Deal Africa call
- **Understand** the different eligibility conditions and participation modalities to the programme
- **Learn** the basic reflexes on how to apply for the call
- **Find** the matching partner to form a consortium for the H2020 call

Which session should you attend?

- Join the first webinar (01/12) if you are and African organisation interested in improving your level of understanding of the H2020 programme and the African Green Deal call.
- Join the second session (i.e. matchmaking on the 02/12) if you are a European or an African organisation looking to connect with potential partners for the Africa Green Deal call.
- You can attend both sessions or only one.

How to join us?

1. Identify the right person within your organisation to attend the workshop
2. Fill out and submit the (extremely short) registration form found here and indicate which session you would like to attend:
<https://fr.surveymonkey.com/r/H2020GreenCallAIEP>
3. Write to us if you have any questions: eu-africa@servicefacility.eu.

What is H2020 and the Africa Green Deal Call ?

What are some of the things to keep in mind when applying to the H2020 programme?

How can you identify the right partners to develop a proposal?

How to connect with potential partners (EU and African) for the Green Deal call?
